

European Cell Death  
Organization  
(ECDO)

University of Cagliari  
Sardinia, Italy

# 14<sup>th</sup> ECDO Euroconference on

## Apoptosis

September 29-October 4, 2006, Chia, Sardinia, Italy

### 3<sup>rd</sup> Training Course on *Concepts and Methods in Programmed Cell Death*

#### *“Role of organelles in cell death”*

Cagliari, Sardinia, Italy, September 30, 2006

## Program

Chairs: Amedeo Columbano and Zahra Zakeri

- 9:00-10:00**      **Jiri Bartek (Copenhagen, Denmark)**  
*DNA damage checkpoints and cell death*
- 10:00-11:00**    **Sharad Kumar (Adelaide, Australia)**  
Caspase biology and function
- 11:00-11:30**    Coffee
- 11:30-12:30**    **Jean-Claude Martinou (Geneve, Switzerland)**  
*The role of mitochondria in cell death*
- 12:30-13:30**    **Randal J. Kaufman (Ann Arbor, USA)**  
*The role of ER stress and translation in cell death*
- 13:30-15:00**    Lunch
- 15:00-16:00**    **Kris Gevaert (Ghent, Belgium)**  
*Proteomics of dying cells*
- 16:00-17:00**    **Eric Baehrecke (Maryland, USA)**  
*Surviving and dying by autophagy*

Supported by EC within the framework of the Marie Curie  
Conferences and Training Courses
