

Marie Curie Research Training Network *ApopTrain*
Cell death: from basic principles to therapeutic application

ApopTrain

International Cell Death Society

Women Career Mentoring Workshop

Date: 26th September

Location: Auditorium, Institut Pasteur, Paris, France

Time: 1.15 p.m. to 2.15 p.m.

The Marie Curie Research Training Network „ApopTrain“ and the International Cell Death Society are pleased to announce the Women Career Mentoring Workshop at the 17th Euroconference on Apoptosis. This workshop will provide a unique discussion forum for receiving valuable advice for advancing your career in cell death research from senior leaders in the field.

The workshop is open to members of the Marie Curie Research Training Network „ApopTrain“, members of the International Cell Death Society and all attendees of the 17th Euroconference on Apoptosis irrespective of gender. There is no registration fee, however, advanced registration is mandatory for organisational matters.
