

# IRC Calendar

The VIB-UGent Center for Inflammation Research organizes a seminar cycle with outstanding international speakers.

Regular seminars take place on Friday, at 11:30 in the seminar room of the FSVM-building (Technologiepark-Zwijnaarde 71, Ghent) and are open for everyone. Registration is not necessary.

- [Overview of past IRC seminars 2012-now](#)

Other events organized by the IRC:

- [IRC Symposia](#)
- [PhD defences](#)
- [All public IRC events](#)
- Events for IRC members only (login required )

All lectures take place in the seminar room of the FSVM building unless otherwise stated.

## IRC Calendar

### PhD Defence

Thursday February 14

**Erwin Pannecoucke**

14:00

Group Savvas Savvides

*An integrative approach towards unraveling the activation of oncogenic FLT3*

**PhD Defence**

Thursday February 14

**Eline Haspeslagh**

17:00

Group Hamida Hammad and Bart Lambrecht

*Pulmonary immunomodulation of house dust mite-induced allergic asthma*

**Seminar**

Wednesday February 20

**Bruce Koppelman**

Scientific editor Immunity

14:00

**Seth Thomas Scanlon**

Host: Bart Lambrecht

Immunology editor Science

*How to get your work published?*

February 21-22

**VIB Conference: Type 2 immunity in homeostasis and disease**

[More information and registration](#)

**PhD Defence**

Wednesday February 27

**Lana Vandersarren**

17:00

Group Sophie Janssens and Bart Lambrecht

*ER stress and T cell biology: IRE1 signaling and TAOK3 function*

**Seminar**

Friday March 8

**Lienhard Schmitz**

Biochemical Institute, Medical Faculty, University of Giessen, Germany

11:30

*CDK1-mediated phosphorylation at H2B serine 6 is required for mitotic chromosome segregation*

Host: Rudi Beyaert

[More information](#)

**PhD Defence**

Friday March 8

**Marie Lork**

16:00

Group Rudi Beyaert

*Molecular regulation of T cell receptor signaling*

**Seminar**

Friday March 15

**Marco Prinz**

University Medical Centre Freiburg

11:30

*Heterogeneity of CNS myeloid cells during neuroinflammation*

Host: Geert van Loo

[More information](#)

**Seminar**

Wednesday March 27

**Alain Fischer**

Collège de France, AP-HP, Imagine Institute Paris

11:30

*Gene therapy of primary immunodeficiencies. What have we learned so far?*

Host: Bart Lambrecht

[More information](#)

**Seminar**

Friday March 29

**Alexander Bartelt**

Institute for Cardiovascular Prevention,  
Ludwig-Maximilians-University Munich, Germany

11:30

*Adipose inflammation and metabolic health*

Host: Sophie Janssens

[More information](#)

**Seminar**

Friday June 14

**David Hackam**

Johns Hopkins University School of Medicine, Baltimore, US

11:30

*A gut feeling about the brain: understanding and preventing the cognitive impairment of preterm infants with necrotizing enterocolitis*

Host: Andy Wullaert
