

Wireless Internet @ FSVM buildings

IRC employees and guests can connect to the internet and IRC intranet through the IRC wireless service at several locations and rooms in both 'Fiers-Schell-Van Montagu' buildings (FSVM1 and FSVM2).

How to connect?

For IRC employees

See our [WIKI](#)

For guests

1. Select the '**eduroam**' wireless network among available wifi networks
2. Enter the guest credentials obtained by email

- Guest accounts **must be requested by IRC employees** following this [WIKI](#)
- **Limited to internet browsing, no access to IRC intranet**
- **Limited in time:** visits must occur within next 30 days
